

To Whom It May Concern

As a guest lecturer of **Jadavpur University** I have had the pleasure of knowing **Rik Choudhury** for the last one year. He has been an excellent student. He is sincere and dedicated in his work as well his studies. **Rik** has out of the box thinking and critical thinking.

During several years of my teaching experience I have come across a wide spectrum of students. Considering all of his personal qualities, I would place him among the top 5% group. **Rik** is a very sincere and diligent student with sufficient motivation to excel in his chosen field of work. I feel confident that he will continue to succeed in his career. **Rik** is intelligent and hard working. He worked many extra hours in the lab and invariably finished his project well in advance.

He seems to be considering a career in consulting in risk management & compliance. He is skilled & communicative with a positive attitude, he should do very well in life. He showed entrepreneurial skills during his group projects which makes him suitable for managerial career for him.

It is for these reasons that I recommend **Rik** to be an asset at any establishment. If you have further questions about **Rik**, please do not hesitate to contact me.

Sincerely,

**Dr. Debapriya Ghosh**
